

# Spring Break Fun!

Our young people had lots of library fun during Spring Break, April 3-7.

The Children's Department hosted morning activities, and the Teen Center sponsored afternoon programs.

Legos, games, crafts, Storytimes, and Babygarten are just a few examples. An Anime Watch Party completed the week on Friday afternoon.

## ***Our Mission:***

We provide every member of our community with a safe, free and inviting center for information, instruction, learning, and cultural opportunities.

***Our five-year strategic plan will help us identify how best to meet the needs of all patrons -- children, teens, working parents, veterans, retirees, the housebound – at the library or in our neighborhoods.***

**Goal 1 ENGAGE** through outreach and communication an awareness of the value of the LCL to our diverse community and the groups/institutions that serve them.

**Goal 2 ENSURE** print, and digital collections and resources are relevant, varied, ample and accessible to all users.

## ***Our Vision:***

The Lancaster Community Library is known as the center of the community offering diverse programming, robust collections, and responsive services. It is a place to learn, share, create, and grow.

**Goal 3 EXCEL** in delivering programs and services for diverse target audiences that support growth and learning.

**Goal 4 EXPAND** innovative resources and knowledge of technology tools to facilitate access to information for individuals and staff.
